Dalmatian Club of America
MEMBER SPONSOR FORM

The sponsorship of a potential Club Member is one of the major responsibilities of DCA membership. It should not be taken lightly, as this Applicant may become a leader and contributor to our Club in the future. Please answer all questions completely and in as much detail as you are able. The DCA Board Members may not know the Applicant personally, and will rely on you and others for input in making a decision. If you do not know the Applicant well enough to answer the questions, please decline to be a sponsor. All questions must be answered or the form will be returned. All applications and completed sponsor forms MUST be in the hands of the membership chairman at least 4 weeks before the DCA Board of Governors meeting so that the applicant can be listed on the DCA members website before the meeting. Any application or sponsor form not sent in a timely fashion will be held until the next board meeting.

The Dalmatian Club of America is the American Kennel Club Parent Club for Dalmatians. DCA is recognized by the AKC and is an AKC Member Club that operates under their auspices.

Applicant’s Name: ______________________________________________________
Applicant’s Address ______________________________________________________
______________________________________________________________________
