DALMATIANS IN OBEDIENCE

by Cathy Murphy

A BREED FIRST is a rare happening, but we have one for 1986! Congratulations to owner/handler Pat Sayles and co-owner and breeder Cathy Nogar on the accomplishments of Ch. Hopi Kachina Indian Summer, now a Ch. UDTX! Summer recently finished the requirements for her UD title, making her the very first champion Dalmatian with a Utility plus Tracking Dog Excellent title! Although there were times Pat found Utility work frustrating, this team stuck with it and accomplished that UD! That's actually six titles on one Dal, and that takes time, work and determination! Congratulations on a job well done!
