Note: Chapter 11, Section 8, of the Dog Show Rules provides that castrated males and spayed females may be entered in the Veteran Classes at specialty shows. Winners from these classes are eligible, if undefeated in another class, for Best of Breed competition.

### Non-Regular (Additional) Classes Involving Multiple Dog Entries

(Not offered at Regional Specialties)

**Stud Dog Class** - For Stud Dogs and two of their Get. It is not necessary that the Get be under the same ownership as that of the Stud Dog. The Stud Dog may be entered separately in one of the regular classes, or if a Champion of Record in Best of Breed Competition, but MUST be entered in the Stud Dog Class, the Get MUST be entered in one of the regular classes. The Stud Dog shall be considered as one entry and requires one entry fee, this being the regular fee. The Stud Dog must be shown in the ring with the Get. The class will be judged on the merits of the Get. While the merits of the Stud Dog are not to be considered in the placement of the entry, the Stud Dog must be examined to determine if it has a condition that would require its disqualification or excusal under the AKC Dog Show Rules, AKC Policy or the standard of the breed.

**Brood Bitch Class** - Same as for the Stud Dog except substitute Brood Bitch for Stud Dog and Produce for Get

Note: Chapter 11, Section 8, of the Dog Show Rules provides that castrated males may be entered as the Stud Dog and spayed females may be entered as the Brood Bitch. As the judge's decision in the Non-Regular Classes involving Multiple Dog Entries is based on the merits of more than one dog or bitch, no one of the dogs or bitches making up the entry judged first in these classes will be eligible to compete for Best of Breed competition by virtue of having won these classes.

**ATTENTION EXHIBITORS IN STUD DOG & BROOD BITCH CLASSES:** Rules Applying to Dog Shows-AKC Chapter 14, Section 2: (Applying to all Get & Produce Shown) "Any club or association giving a dog show must provide arm cards & shall see that every person exhibiting a dog wears, when in the ring, an arm card containing thereon the catalog number of the dog being exhibited."

**Brace Class** - Two dogs with at least one or more common owner. Will require an entry fee of \$35.00 as a unit. The two dogs comprising a Brace MUST be named at the time of entry. If a dog which is to be part of a Brace is not entered in another class, it must be entered for "BRACE CLASS ONLY" with a fee of \$35.00 for each dog entered. In making entries for "BRACE CLASS ONLY" full particulars must be given for each dog on individual regular entry forms. An entry form for a dog entered in another class & entered as part of a BRACE MUST be marked accordingly in the space provided for Additional Class, "Brace Class". If more than one Brace is entered by one or more common owner, the dogs comprising EACH Brace must be designated "Brace No.1, Brace No.2, etc.

### AKC NATIONAL OWNER-HANDLED SERIES

To be eligible for Best Owner-Handled Dalmatian, the appropriate box on the entry form must be checked.

The AKC National Owner-Handled Series (NOHS) is a non-titling competition for dogs that are exhibited by their owners that are not professional handlers.

Exhibitors must declare their dog is Owner-Handled eligible at the time of entry on the entry form. Dogs entered in the Amateur-Owner-Handler class will automatically be marked as eligible to compete in the NOHS. Eligible dogs will be identified by an asterisk in the judge's book, steward's book, and the catalog. Dogs must be handled throughout the competition by an eligible owner. Professional handlers, household members, and current assistants to professional handlers may not exhibit the dog in any NOHS competition during the entire show.

The Best Owner-Handled Dalmatian will be selected from the dogs eligible to compete in the Best of Breed competition including Winners Dog, Winners Bitch and winners of the Veteran classes.

- If the Best of Breed winner is Owner-Handled competition eligible, it will automatically be Owner-Handled Best of Breed.
- If the Best of Breed winner is ineligible for the Owner-Handled competition and the Best of Opposite Sex to Best of Breed winner is eligible, the BOS dog/bitch will compete against the eligible undefeated exhibits of the opposite sex to determine Owner-Handled Best of Breed.
- If the Best of Breed and Best of Opposite Sex to Best of Breed are both ineligible and the Select Dog and Select Bitch are both eligible, the judge is to choose the Best Owner-Handled exhibit from the Selects and eligible Winners Dog, Winners Bitch and Veterans.
- If one of the Selects is eligible, all dogs of the same sex shall be excused and the choice of Best Owner-Handled will be made from the remaining dogs of the opposite sex, including the eligible Winners Dog or Bitch and Veterans.
- If Best of Breed, Best of Opposite Sex to Best of Breed, Select Dog and Select Bitch are ineligible, the judge may choose any eligible dog remaining in the ring including Winners Dog or Winners Bitch or any eligible Veterans as Best Owner-Handled Dalmatian.
