SELECT DOG SELECT BITCH

The following categories of dogs may be entered and shown in Best of Breed (Variety) Competition: Dogs that are Champions of Record and dogs which according to their owner's records, have completed the requirements for a championship, but whose championships are unconfirmed. The entry and showing of dogs whose championships are unconfirmed is limited to a period of 90 days from the date of the show where a dog completed the requirements for a championship according to the owners' records. If at the end of the 90 day period the championship of a dog has not been confirmed by the American Kennel Club, no further entries of the dog for Best of Breed competition are to be made until its championship has been confirmed by AKC. NOHS and Awards of Merit will be chosen immediately following Best of Breed competition. This will be followed by Best Bred-by Exhibitor. (See Page 10)

Note: Points for Reserve - DCA will award at its National Specialty a three point major to ReserveWinners Dog/Bitch if the Regular Class Dog/Bitch entry is twice the required number for a five point major in the division where the National Specialty is held.

DALMATIAN CLUB OF AMERICA 2023 PERFORMANCE FUND

Without your continued generous support of the Performance Fund, it would not be financially feasible for DCA to offer Agility, Obedience, Rally, Road Trial, Tracking, Barn Hunt, Scent Work, and Fast CAT at the National. These events showcase the incredible versatility of our breed!

CLASSIFICATION (CONTINUED)

Non-Regular Classes (Involving multiple dog entries)

Note: Non-regular classes involving multiple entries may be judged before or after Best of Breed. As the judge's decision in these classes will be based on the merits of more than one dog, no one of the dogs making up the entry judged first in the class will be eligible to compete for Best of Breed or Best of Opposite Sex to Best of Breed by virtue of having won the class.

Stud Dog Class and Brood Bitch Class (National, PSDC & MHDC): Each entry is allowed two get/produce. The merits of the Stud Dog or Brood Bitch are not considered in the placement of the entry. It is the quality of the get/produce that forms the basis for the judge's decision. All get/produce must be examined and gaited. The Stud Dog or Brood Bitch must also be examined to determine if there is a condition that would require disqualification or excusal under the Rules, AKC policy or the breed standard. All get/produce must be entered in another class in order to be eligible to compete in the Stud Dog or Brood Bitch Class. Handlers of the Stud Dog or Brood Bitch, and all get/produce being exhibited, must wear armbands. Ch. 11, Sec. 8 of the "Rules Applying to Dog Shows" provides that "a castrated male may be entered as a Stud Dog in the Stud Dog Class and a spayed bitch may be entered as a Brood Bitch in the Brood Bitch Class."

Brace Class (National Only): Two Dogs, performing in unison, and presented by a maximum of two handlers. Both dogs competing in the brace class must have at least one common owner. Both dogs do not need to be entered in any other class. Dogs comprising a Brace Class must be named at the time of entry, and full particulars must be given for each dog on individual entry forms. An entry form for a dog entered in another class and entered as part of a Brace must be marked accordingly in the space provided for additional classes as "Brace Class." If more than one brace is entered by the same owner, it must be so designated "Brace #1," "Brace #2," etc.

AKC NATIONAL OWNER-HANDLED SERIES - ALL EVENTS

The AKC National Owner-Handled Series is a non-titling competition for dogs that are exhibited by their owners that are not professional handlers. Exhibitors must declare their dog is Owner-Handled eligible at the time of entry on the entry form. Dogs entered in the Amateur-Owner-Handler class will automatically be marked as eligible to compete in the NOHS.

Eligible dogs will be identified by an asterisk in the judge's book, steward's book & the catalog. Dogs must be handled throughout the breed level competition for the regular show by an eligible owner.

Professional handlers*, household members and current assistants** to professional handlers may not exhibit the dog in any NOHS competition during the entire show. For a detailed description of the National Owner-Handled Series, please visit the AKC website NOHS pages at: <https://www.akc.org/sports/conformation/nation-owner-handled-series/>

*Professional handlers are defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay within the last five years.

**A current assistant is defined as anyone employed by a professional handler on a full-time basis, or assisting a professional handler at the show or any time during the cluster/weekend. Current assistants that are eligible to compete in Junior Showmanship (meet age & amateur status requirements) may participate in NOHS.

Remember to check the box near the bottom of the entry form.
