- The American Kennel Club will collect: a \$3.00 Event Service Fee for the first entry of a dog and \$3.50 service fee for each additional entry of the same dog in the regular and non-regular recordable single-entry classes, in all AKC licensed and member club events. (There is no recording fee or event service fee for sweepstakes, futurities, brace/team, multi-dog classes or special attractions.). The current 50 cent recording will continue to be collected. The event-giving club shall assume the responsibility of collecting all Event Service Fees for the American Kennel Club.

Entries not on Official AKC Entry Forms and Photocopies of Entry Forms without Agreement and Rules on reverse side are NOT ACCEPTABLE. The Club and/or Executive Dog Shows, LLC assumes no responsibility for wrong or incomplete information given on the entry blank by the owner or the owner's agent. RESPONSIBILITY FOR COMPLETENESS OF ENTRY RESTS SOLELY WITH ENTRANT.
- RETURNED CHECKS DO NOT CONSTITUTE A VALID ENTRY FEE. Executive Dog Shows will add a \$30.00 collection fee to the amount of each returned check. We will not re-process checks. The exhibitor will be contacted & required to send a money order for the original amount PLUS the \$30.00 NSF fee. The Clubs may retain a processing fee and must publish this information in the premium list. Clubs may determine the documentation, if any that is required to confirm the female is in season. This shall be stated in the premium list. Note: No fee is paid to the AKC for females in season who are withdrawn.
- FAX ENTRIES - Fax entries are not accepted.
- Entry fees shall NOT be refunded in the event that a dog is absent, disqualified, sick, lame, excused by the Judge or Veterinarian, or barred from competition by action of the Show Committee, or because it has been entered incorrectly.
- Please Note: Any hotel or motel listed in the premium list is subject to Event Committee Rules. We expect our exhibitors to be responsible guests. A report that an exhibitor at this show has abused hotel or motel property during this week/weekend may result in disciplinary action. Clubs reserve the right to decline future events from the offending party in accordance with the provisions of Chapter 11, Section 15 of the Rules Applying to Dog Shows.
- Dogs need be present only for scheduled judging and will be released if not needed for further judging. Dogs must be ready for judging. MEASURING & HEIGHT CARD INFORMATION

MEASURING: All dogs without a permanent or temporary height card will have to be measured by the **Judge of Record** PRIOR to running. However, if a **Volunteer Measuring Official (VMO)** or an **Agility Field Rep** is present; ALL dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog ticketed by the Judge of Record if the VMO or Rep is not available to measure the dog **before** its first run of the trial or cluster of trials. It is the exhibitor’s responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying score. **Judging will not be held up or interrupted for measuring.** Height cards are not required to be submitted to the trial secretary, however, all exhibitors should carry the original AKC official jump height card with them to each trial in order to present the card upon request. When filling out the entry form, there is a section on the form for exhibitors to designate whether your dog needs to be officially measured. Please check the appropriate box so that the Trial Secretary knows whether to include your dog on the Dogs To Be Measured List. It is no longer required that you submit a copy of your dog’s jump height card with your entry form or show it during day of show check-in

Owners are responsible for entering the proper height divisions. Handlers of dogs in Regular Classes may opt to run in a higher height division, but not in a division lower than their proper height division. Dogs entered in the Preferred Classes **MUST** jump in their measured division and are not allowed to jump higher or lower.

OBSTACLES

Obstacles used will be those as defined in The AKC Regulations for Agility Trials. All contacts are rubberized, bar jumps are 5 feet in width and are polymer plastic design, and spread jumps have rubber cups. Electronic timing will be used. Equipment will be provided by the Atlanta Kennel Club.

COURSE WALK-THRUS AND WARM-UPS

Handlers in all classes are permitted to walk the course, without a dog, during a walk- through period held prior to the start of the class. The walk-through is restricted to handlers entered in that class only. Handlers with multiple dogs, at events with multiple rings may request to walk with a height group other than the one their dog is entered in if a conflict is imminent. A warm-up area, consisting of a regulation agility jump, may be provided for exhibitors. The warm-up area is to be used exclusively for warming up the dog and not for training or relieving of the dog.

CLASS CHANGES EFFECTIVE JANUARY 1, 2020

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend Multiple Jump Heights Within the Same Trial Day: Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. For example, the same dog may now be entered in Regular FAST and/or T2B to finish up those titles while also entered in Preferred Master STD/JWW to start working towards their PACH at the lower height. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day. Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day. A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend. When calculating entry fees, treat multiple entry forms for the same dog as if only one form had been filled out. In other words, the 1st run entry fee is only paid once per day, per dog, even if that dog's runs have been submitted on multiple entry forms.

Entering For Exhibition Only (FEO): FEO allows exhibitors to work with their dogs in a trial environment. FEO is only allowed in the Time 2 Beat and FAST classes. FEO will be of value to new exhibitors or exhibitors that are having difficulty with a specific obstacle and/or ring environment. Competitors must enter in T2B and/or FAST. Participation in FEO is non-qualifying. FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.

Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed. Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.

The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board). Toys are allowed in the ring. Toys must be non-audible.

Toys may not leave the handler's hand. Toys that roll freely cannot be used. Food/treats are not allowed in the ring. FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and/or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.

A judge must monitor the entire run. Judges can stop a run at any time.

Fix and Go On (FNG): FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score. Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

DCA 2024 Performance Fund

Without your continued dedicated support of the Performance Fund, it would not be financially feasible for DCA to offer Agility, Obedience, Rally, Road Trial, Tracking, Barn Hunt, Scent Work and Fast CAT at the National. These events showcase the incredible versatility of our breed.

BE A RESPONSIBLE dog owner and exhibitor. Pick up after your dog on the grounds

We are in Reaves Arena that has ample crating space (we measured it to be sure). As an extra bonus to those that sign up to volunteer, you will be given the opportunity to select your crating area prior to other exhibitors run.

We are especially in need of experienced course builders and also volunteers to unload and set up on Thursday. Those volunteers will be given first opportunity to select crating space. We have some very choice crating areas that may be attractive to those volunteers. Experienced course builders – please call or email Tammy Boice (724) 355-2219 or email racindalz@hotmail.com if you will be available.
