INCLEMENT WEATHER

In the event a severe weather or tornado warning is issued for the immediate area, Site Security will notify the Purina Farms management team. The team will notify guests of an impending weather event via the property-wide public address system. Public service announcements should also come via the storm siren and announcements. Guests will be asked to seek cover in designated areas marked as severe weather shelter areas inside the Purina Farms facilities (those in the outdoor event areas should seek cover in one of the indoor facilities on the property). Areas at the Purina Event Center include the Gateway Hall, restrooms, South stairwell and the Great Hall if necessary. At the Visitor Center, this includes the bathrooms, indoor theater and the hallway near the front information desk. After the weather event ends, Purina Farms management teams will announce all clear.

If weather is extreme after-hours, then security will unlock the Purina Event Center to allow overnight guests to come into the building with dogs at any time. The service center is also open 24/7 for campers to seek shelter. Should the weather look threatening, Purina Farms Security will go around the lots to notify overnight guests to seek shelter.

NON-REGULAR CLASSES

Non-Regular Classes Involving Single Dog & Bitch Entries

The first place Winner of each of these classes, if undefeated in the show, is eligible to compete for Best of Breed

Veteran Classes DCA NATIONAL• A Class for Dogs and a Class for Bitches. Veteran (8 years and under 10 years of age) ● Veteran (10 + years and over of age)

Veteran Classes REGIONAL SPECIALTIES• A Class for Dogs and a Class for Bitches. Veteran (7 years and under 10 years of age) ● Veteran (10 + years and over of age)

Under "AKC Rules Applying to Dog Shows," Chapter 11, Section 8, neutered dogs and spayed bitches are allowed to compete in Veteran classes only at independent specialties and/or those all-breed shows which do not offer any competitive classes beyond Best of Breed. This is an independent specialty.

FOR THESE DCA CONFORMATION EVENTS SCHEDULED JUNE 18-20, THE AGE OF THE DOG ON JUNE 19 DETERMINES THE APPROPRIATE AGE-RELATED CLASS. THIS APPLIES TO SWEEPSTAKES, FUTURITY, REGULAR CLASSES AND VETERAN CLASSES AT THE NATIONAL SPECIALTY ONLY.

Non-Regular (Additional) Classes Involving Multiple Dog Entries
DCA NATIONAL ONLY

As the judge's decision in the Stud Dog, Brood Bitch, and Brace classes will be based on the merits of more than one dog or bitch, none of the dogs or bitches making up the entry judged first in the class will be eligible for Best of Breed by virtue of having won these classes.

Stud Dog Class – National Only • For Stud Dog and two of their Get. It is not necessary that the Get be under the same ownership as that of the Stud Dog. The Stud Dog may be entered separately in one of the Regular or Non-Regular Classes or if a Champion of Record, for Best of Breed or may be entered in Stud Dog Class only at the regular entry fee. The Get MUST be entered in one of the Regular Classes. The Stud Dog unit shall be considered as one entry and requires only one entry fee. The Stud Dog must be entered in the Stud Dog Class and shown in the ring with his Get. Stud only to be judged on the merits of the Get.

While the merits of the Stud Dog are not to be considered in the placement of the entry, the Stud Dog must be examined to determine if it has a condition that would require its disqualification or excusal under the Dog Show Rules, AKC Policy or the standard of the breed.

Brood Bitch Class – National Only • Same as above except Substitute Brood Bitch for Stud Dog and Offspring for Get.

AKC rules Applying to Dog shows, Chapter 11, Section 8, provides that a neutered male may be entered as a Stud Dog in the Stud Dog Class and spayed bitches may be entered as a Brood Bitch in the Brood Bitch Class.

Brace Class – National Only • Effective January 1, 2005**.** A brace is defined as two dogs of the same recognized breed or variety that are similar in appearance, performing in unison, and presented by a maximum of two handlers. Both dogs competing in brace competition must have at least one common owner. The dogs comprising a Brace MUST

be named at the time of entry. If a dog which is to be part of a Brace is not entered in another class, it must be entered for "Brace Class Only". In making entries for "Brace Class Only" full particulars must be given for each dog on individual regular entry forms. An entry form for a dog entered in another class and entered as part of a Brace MUST be marked accordingly in the space provided for "Additional Class" "Brace Class". If more than one Brace is entered by the same owner, the dogs comprising EACH Brace unit must be so designated "Brace # 1", "Brace # 2", etc. PLEASE SUBMIT BRACE ENTRIES TOGETHER.

Award of Merit—All Events • The judge, at his/her discretion may award up to 10% rounded up to the nearest whole number, of all dogs in the ring which are eligible for Best of Breed to be considered for an Award of Merit; the Best of Breed, Select Dog, Select Bitch, Best of Opposite and Best of Winners are not eligible for an Award of Merit.

Special Attraction—National Only • Following Best of Breed the American Kennel Club offers, at the Dalmatian Club of America 2025 Specialty (only,) one free litter registration to the **Best Bred By Exhibitor**. The Dalmatian Club of America will offer a rosette to the winner.

The winner will be awarded in the same manner as National Owner Handled Series Best of Breed. Exhibitors must declare their dog in Bred-By-Exhibitor eligible at the time of entry on the entry form. Eligible dogs will be identified by an asterisk mark in the judge's book, steward's book, and the catalog. There will be no additional entry fee for this competition.

Remember to Check the Bred-By-Exhibitor Box.

3 Point Major Reserve • At the National Specialty and at the Regional Specialties, the dog designated Reserve Winners Dog and Reserve Winners Bitch will be awarded a three-point major, provided that the number of dogs competing in the regular classes of the Reserve Winner's sex total at least twice the number required for a five-point major in the region in which the event is held.

AKC NATIONAL-OWNER-HANDLED SERIES

The AKC National Owner-Handled Series will be conducted following Best of Breed judging in each breed ring. All dogs in the BOB competition (including WD & WB) will stay in the ring after the judge makes their placements in BOB competition. The ring steward will ask all professional handlers, household members, and current assistants to professional handlers to leave the ring and then the judge will select the Best Owner-Handled (BOH). The dog and its owner will continue to accrue points for any group placements or Bests in Show.

The top-ranked dogs from the AKC National Owner-Handled Series are posted on the AKC National Owner-Handled Series Points Ranking page. Rankings of the dogs competing in the Series are compiled based on the Best of Breed, Group, and Best in Show placements in this specific Series competition (See Point Schedule). The end of year competition for the AKC National Owner-Handled Series will be held in conjunction with the AKC show in December. Dogs that finished ranked in the top ten (plus ties) for their breed during the qualifying period will be invited to compete in the competition. Dogs exhibited by professional handlers on the day of the event are not eligible for this competition. Dogs exhibited by current assistants and household members of a professional handler on the day of the event are not eligible to enter this competition. ***Professional handlers*** are defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay within the last five years. For more information about the Series or if you have questions about hosting these events, please contact the AKC Events department at (919) 816-3579 or eventnews@akc.org.

SPECIAL PERFORMANCE AWARD
THE TRIATHLETE CHALLENGE

If you and your dog are a multi-tasking team, set your sights on the Specialty Triathlete Challenge, a special award given to EACH Dalmatian/handler team that earns a qualifying leg or passing score in three (3) or more performance/ companion venues during the National Specialty. The eligible events are: Tracking, Road Trial - CC/CCC, CCI/CCIC, RD/RDC, RDX classes; Agility—all titling classes; Obedience - all titling classes; Rally - all titling classes; Barn Hunt - all titling classes; Scent Work- all titling classes; Fast CAT; and Dock Diving. Only one score or performance in each venue will count toward this award, and the performance must be at the titling level, although the dog/handler team may already have earned the relevant title. If your dog can hock, heel, sniff, run, or jump, just pick your venues and go for the challenge!

Triathlete Forms must be turned in before 7 pm on June 19. All awards must be picked up at the Performance Breakfast. NO AWARDS WILL BE MAILED.

2025 PERFORMANCE FUND

Without your continued generous support of the Performance Fund, it would not be financially feasible for DCA to offer Agility, Fast CAT, Tracking, Obedience, Rally, Road Trial, Scent Work, and Barn Hunt at our National. These events showcase the incredible versatility of our breed! Sponsors are acknowledged in the show catalog.

AKC Code of Sportsmanship

PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.
